

It all starts at the curb

Everyone knows the value of a first impression. **RE/MAX** has learned that landscaping the front and backyard of your home will give you a 7% better return on your renovating dollar over the average return on other popular renos. Increasing your curb appeal can be as simple as adding containers of brightly colored flowers. Another idea would be to add a low maintenance garden for blocks of colour and texture. Also consider a simple water fixture in the backyard to add ambience.
